

Unbreakable

by Kami Garcia

Before Reading

If you were suddenly recruited to join a secret team charged with saving the world, what talents and skills could you bring to the table?

Kennedy feels like the outcast of the group because she hasn't been taught about The Legion like the others have. Have you ever experienced a similar situation where you felt like you were the only one who didn't know what was going on? How did you handle it?

After Reading

Kennedy refers to her usual clothing as “her uniform” - black jeans and faded t-shirts. What is your personal uniform? Do you generally dress the same each day or do you like to change it up?

In chapter five, Kennedy is listening to Cure's “Inbetween Days.” She relates to the song because she feels like she is trapped in between what her life was and what it had become. What song do you feel relates to where you are in life right now? Why?

As the members of The Legion hunt down the pieces of the disk they face many situations that require great courage. What situations have you faced that required you to do something even though you were scared?

Questions continued on next page...

In the climax of the story, Kennedy has to make a critical decision - continue with the plan or listen to Darien when he tells her something that changes everything she and the other members of The Legion think they know. What did she decide and what was the result? What would you have done in her situation?

Who do you think is a better match for Kennedy - Jared or Lukas? Why?

Post Reading Activity

Write a chapter to follow the final chapter in the book from Jared's point of view. What is he thinking as Kennedy drives away in the police car? Where does he go next?
